

The Villas at Longleaf Park, a Watersound Origins® community

Inlet Beach, FL

New Homes From $491k–$539k+

The Villas at Longleaf Park, a Watersound Origins® community, features new construction homes in Inlet Beach, Florida, offering low-maintenance paired villa designs within a master-planned coastal environment. With amenities including a pool and fitness center at Village Commons, the community supports both relaxation and active living.

Located off N Watersound Parkway, The Villas at Longleaf Park is approximately 5 minutes from US Highway 98, about 5 minutes from Watersound Town Center, and around 10 minutes from 30Avenue, Rosemary Beach, and Alys Beach. Panama City Beach is also within about 20-25 minutes, giving residents access to nearby coastal communities, shopping, dining, and entertainment options.

Outdoor recreation is a defining feature, with miles of trails and green spaces throughout Watersound Origins® and access to 14+ miles of community paths, plus Gayle's Trails connecting to an additional 30+ miles of trails. Nearby beaches, golf courses, tennis and pickleball courts, and Camp ...
