

Breakfast Point East

Panama City Beach, FL

New Homes From $459k–$789k+

Breakfast Point East features new construction homes in Panama City Beach, Florida, offering thoughtfully designed single-family floorplans in a community that embraces outdoor living. With hiking and biking trails throughout the community and nearby access to 30 miles of Gayle's Trail Network, residents can enjoy an active lifestyle surrounded by natural beauty.

Located off US 98 with close proximity to Front Beach Road, the community provides convenient access to Panama City and the surrounding coastal areas. Residents are less than 2 minutes from beach access and just minutes from everyday essentials, as well as shopping, dining, and entertainment at Pier Park and Breakfast Point Marketplace.

Outdoor recreation is a defining feature of the area, with Panama City Beach offering miles of white-sand coastline and Gulf waters. Nearby St. Andrews State Park, Conservation Park, Frank Brown Park, Publix Sports Park, and ZooWorld provide opportunities for hiking, biking, wildlife viewing, ...
