Former model home for sale! The Tustin is a decorated model home by Fischer Homes located within Towns of Wetherington in West Chester Township, Ohio. This three-story townhome design ranges from 2,097 to 2,276 square feet and offers 2 to 4 bedrooms and 3 to 4 bathrooms, with the bedroom and bath ranges reflecting the optional configuration capacity distributed across the plan's three levels. A rear-entry garage contributes to a clean streetscape while supporting everyday convenience, and the home's vertical organization creates distinct zones for recreation, main living, and private retreat across each floor. Towns of Wetherington features Fischer Homes' Midtown Collection and includes low-maintenance living with lawn care and snow removal, with the community situated across from Liberty Center for convenient access to shopping, dining, and entertainment.

The ground floor of the Tustin includes a finished recreation room as a standard feature, with the option to configure the space as a study or guest suite with a full bath depending on community and plan selection. The main level centers on a kitchen with a large pantry that connects the dining area to the family room and provides direct access
